

Announcing the 2009

Pay to Golf Tournament

Investing in a brighter future for our children and community

On September 20, 2009 FUTURE will be hosting the dedication of **The Clifford Performing Arts Center at Mount View** and paying tribute to the 400 donors who supported the campaign.

With this festive major event set for September, we regrettably must postpone our annual **Golf Tournament** until 2010.

You can still support FUTURE's work on behalf of SAD 3 youth!

Pay to not play – and support our mission – to raise funds for enhancements at the new Mount View School not covered by SAD 3 or the state.

Proceeds from the **2009 Pay to Not Play Golf Tournament** benefit **FUTURE MSAD 3**, a nonprofit 501(c)(3) volunteer-led community organization.
All contributions are tax-deductible to the extent allowed by law!
