FUTURE MSAD 3

established The Heritage Fund to recognize and honor the alumni, faculty, staff and administrators of the high schools that served our communities prior to the construction of Mount View High School in 1964.

For generations students in the towns that now comprise SAD 3 attended one of the following: Freedom Academy, Monroe High School, Morse Memorial High School, Unity High School, Uni-Free High School, and Walker High School.

The Heritage Fund honors the traditions and accomplishments of the generations who attended and worked in these schools.

All contributors to The Heritage Fund will be recognized on a permanent plaque at the new Mount View High School Track Complex. Donors will be listed in alphabetical order under the school name of their choice. Gifts in any amount may be made “in memory of” or “in honor of.” Recognize family members, friends, and former teachers with your contribution!
