

## Memorial Gifts to FUTURE MSAD 3

Memorial gifts are a meaningful way to honor a beloved family member.

The following information is provided for families considering directing gifts in memory of a loved one to FUTURE MSAD 3:

Losing a loved one is an extremely stressful and emotional experience. Many families find comfort by acknowledging their loved one through a life-affirming memorial gift.

We hope the following information is helpful for families considering directing gifts in memory of a loved one to FUTURE MSAD 3.

1. When listing a memorial gift opportunity in the obituary, contributions should be made out to FUTURE MSAD 3 and mailed to: P. O. Box 151, Unity, ME 04988
2. Memorial gifts may be designated for one of the following three priority giving areas: for the Mt. View Performing Arts Center Endowment Fund; for the Capital Campaign for Mount View Athletics; or for FUTURE MSAD 3
3. A family representative should notify FUTURE MSAD 3 that memorial gifts will be included in the obituary. (See contact information below.) Please indicate the name, mailing address, and phone number for the family representative so that we may contact that individual.

FUTURE MSAD 3 will provide the family representative with a list of names (but not the gift amount) of people who make memorial gifts so the family may acknowledge the contributions. We will also provide the family with a total amount contributed through memorial gifts.

If you have questions about setting up a memorial gift please contact FUTURE MSAD 3 Campaign Director Alicia Nichols at 207-852-1056 at any time, including weekends, day or evening.

**FUTURE MSAD 3** – gifts to FUTURE are unrestricted and support the nonprofit organization's operating expenses.

**The Performing Arts Center** – while funds have been raised to fund the enhancements to the new Performing Arts Center at Mount View, new gifts will help to establish an endowment for the facility.

**The Capital Campaign for Mount View Athletics** – gifts will provide seed funding to develop this new project which will support enhancements of the outdoor athletic complex and improvements to existing fields at the new Mount View School.
